Gender Count

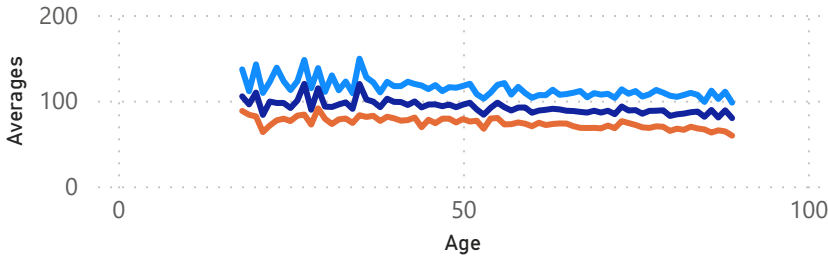

Average of Disease Severity by Age

SOFA SAPS II OASIS

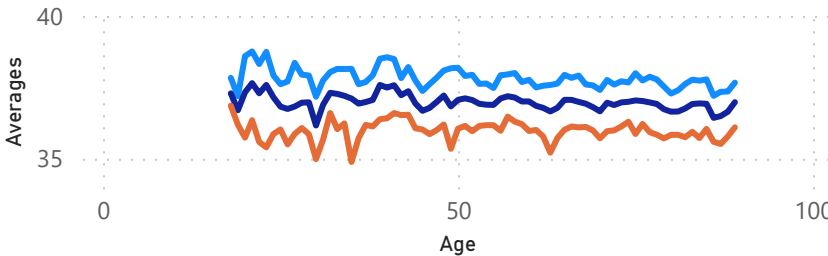

Averages of Heart Rate Variables by Age

Max Heart Rate Mean Heart Rate Min Heart Rate

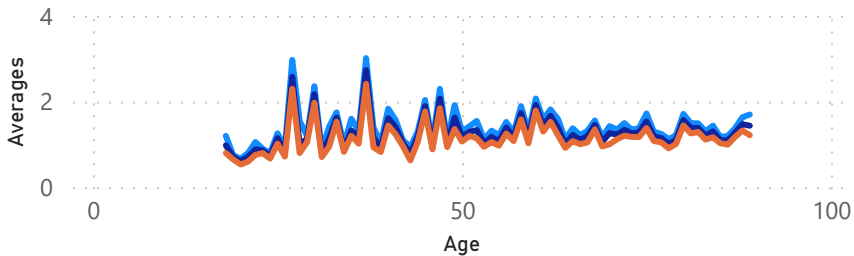

Averages of Temperature Variables by Age

Max Temperature Mean Temperature Min Temperature

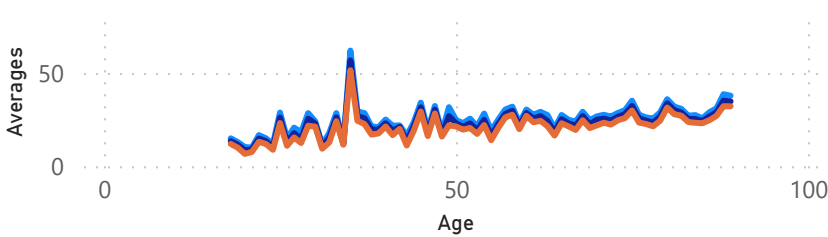

Averages of Creatinine Variables by Age

Max Creatinine Mean Creatinine Min Creatinine

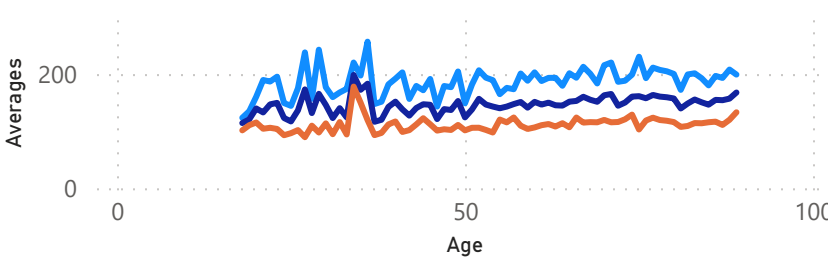

Averages of BUN Variables by Age

Max BUN Mean BUN Min BUN

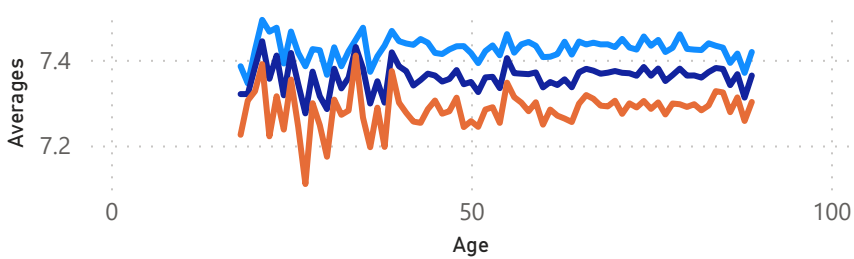

Averages of Glucose Variables by Age

Max Glucose Mean Glucose Min Glucose

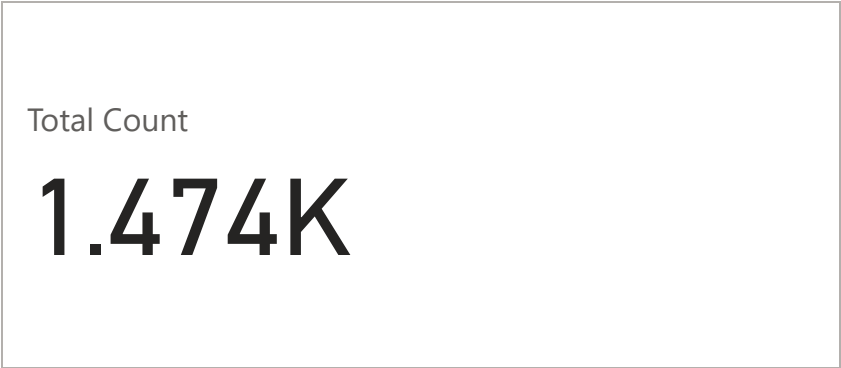

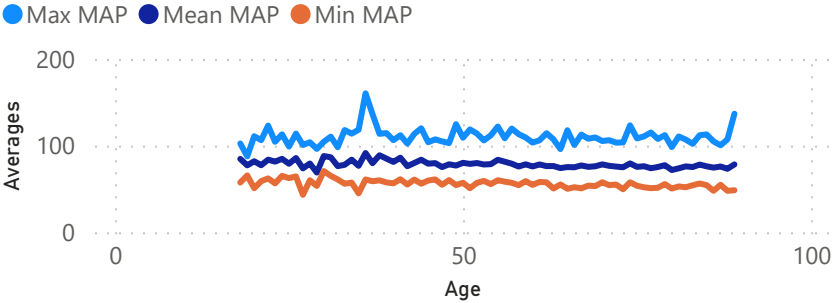

Averages of pH Variables by Age

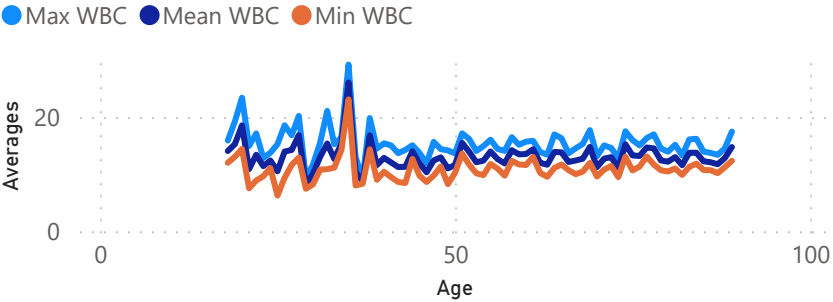

Max pH Mean pH Min pH

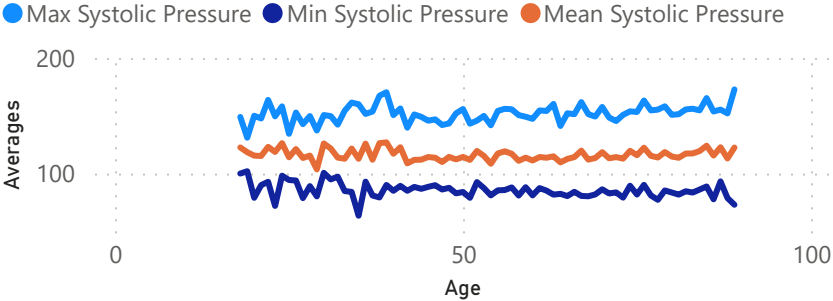

Averages of MAP Variables by Age

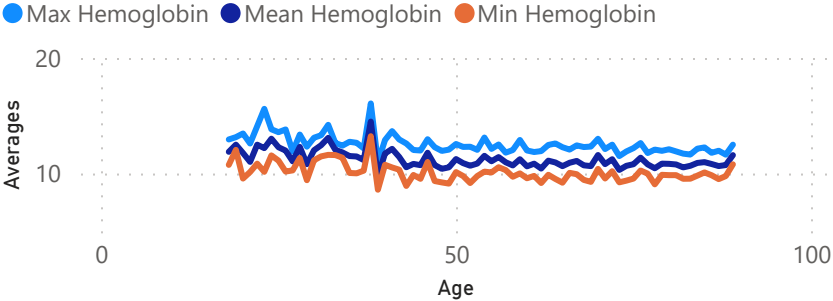

Averages of WBC Variables by Age

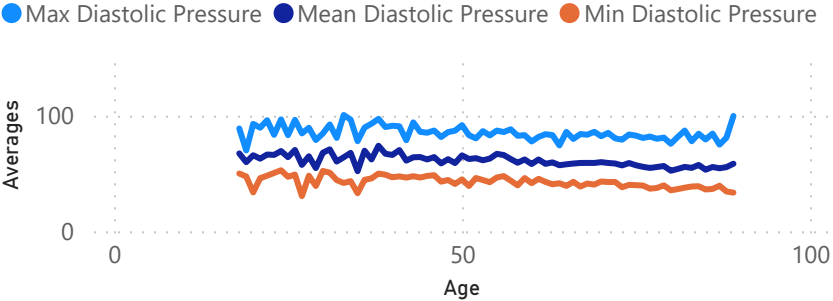

Averages of Systolic Variables by Age

Averages of Hemoglobin Variables by Age

Averages of Diastolic Variables by Age

Medical History
